Coronavirus Disease 2019 (COVID-19)

Report Date:

7/27/2021

Report Time:

1700

- On 7/26, OES & League of CA Cities will host a meeting/webinar w/ City Managers, et al to encourage early submission of COVID-19 response cost reimbursement requests in order to not be delayed given that all cities, counties & states in the nation will be submitting reimbursement requests to FEMA which can create a potential backlog.

Office of Tribal Coordination

- NSTR

Office of Access and Functional Needs (OAFN)

- OAFN connected Imperial County Public Health with resources to assess the Department's communications, public information, and community engagement to identify where gaps may exist and what processes could be implemented to address those gaps and integrate into the Department's Public Information Plan.
- OAFN is maintaining ongoing communications with whole community partners and stakeholders serving older adults, individuals with disabilities, and people with access and functional needs throughout the state to identify and provide assistance for unmet needs for any power outage event, wildfires, climate and drought related events throughout the pandemic.

Joint Information Center (JIC)

- CDPH released the most recent statistics on COVID-19 on [July 27, 2021](#). This information may be found on the CDPH OPA News Release webpage here:
<https://www.cdph.ca.gov/Programs/OPA/Pages/News-Releases-2021.aspx>
- CDPH received and responded to multiple media inquiries on COVID-19. The topics include:
 - Governor's announcement requiring vaccination verification for state and health care workers.
 - Vaccination verification and enforcement.
 - Number of state and health care workers.
 - Cost of testing for state and health care workers.
 - Definition of health care workers.
 - Expired vaccine data.
 - Masking guidance, enforcement, and penalties for schools.
 - Comment on lawsuit regarding mandatory masking in schools.
 - COVID sequencing and variant data.
 - Delta and Lambda variant data.
 - Rising case rates.
 - Tracking probable COVID cases percentage of fully vaccinated people.
 - Digital vaccination record.
 - Waivers on nurse/patient ratios.
 - Promoting vaccinations in Latinx communities.
 - Percentage of fully vaccinated people.
 - Skilled Nursing Facility (SNF) regulations and complaints.
 - Workplace mask guidance.
 - Breakthrough cases.
 - Cumulative COVID-19 data for vaccinated and unvaccinated cases.
 - Test positivity rate.
 - Vaccination data.
 - Possible return to color coded Tiers.
 - Percentage of people who missed second doses.
 - Case rate rising faster among young adults.
 - Indoor masking guidance.

California Department of Public Health (CDPH)

- MHCC received a total of 19,804 (+210) resource requests and a total of 38,367 (+516) inquiries from public citizens, local health jurisdictions, and healthcare facilities. The number of inquiries listed is a total of the Maximus Call Center and MHCC inquiry counts combined. The public phone number for incoming inquiries is 833-422-4255.

Situation Report – FOR OFFICIAL USE ONLY

Coronavirus Disease 2019 (COVID-19)

Report Date:

7/27/2021

Report Time:

1700

- CDPH has been requested to assist with COVID vaccination support at the Beckwourth Local Assistance Center (LAC) in Lassen County.

Guidance

- CDPH released the following All Facilities Letters (AFL) via California Health Alert Network (CAHAN):
 - AFL 21-25 Weekly Reporting Related to Patient Discharges with COVID-19. This AFL requires that California hospitals report specified patient level information for each hospitalized person who tests positive for COVID-19 to assist the CDPH to monitor the effectiveness of vaccines and assess the impact of COVID-19 on the health care system. The reporting requirement is effective July 27, 2021.
 - AFL 21-24 Call for Specimens from Hospitalized COVID-19 Patients. This AFL announces a request that facilities submit respiratory and/or serum specimens from hospitalized COVID-19 patients to assist the state in tracking COVID-19 variants. Specimens can be submitted to your local public health laboratory or to CDPH Viral and Rickettsial Disease Laboratory (VRDL).
 - AFL 20-74.1 COVID-19 Recommendations for Personal Protective Equipment (PPE), Resident Placement/Movement, and Staffing in Skilled Nursing Facilities. This AFL supersedes AFL 20-74, and provides recommendations for PPE, resident placement/movement, and staffing based on the residents' COVID-19 status. This revision updates the chart of recommendations to clarify when eye protections must be used and to align with the latest CalOSHA requirements no longer allowing extended use and reuse of respirators.
 - AFL 20-75.1 COVID-19 Outbreak Investigation and Reporting Thresholds. This AFL supersedes AFL 20-75, and reminds licensed health facilities of requirements to report outbreaks and unusual infectious disease occurrences to their local health department (LHD) and Licensing and Certification District Office and provides investigation and reporting thresholds for reporting for COVID-19.

Emergency Medical Services Authority (EMSA)

- Salesforce Contributions Portal:
 - Portal received **2** solicitation offers and **0** donation offers between 1300 on 7/20 and 7/27.
- Received **1** procurement and donation focused email between 1300 on 7/20 and 7/27.

Workforce Development and Surge Capacity Task Force

- NSTR

County Reports

Amador

- Continues case monitoring of Delta variant.
- Cases declining in Mule Creek State Prison.

Butte

- Anticipates a surge in Fall 2021 due to students returning to in-person learning.
- Butte County continues to have community spread and outbreaks of COVID-19; and local hospitals continue to have hospitalized COVID-19 patients, but at manageable levels.

Lake

- Confirmation of a 4th Delta Variant case in Lake County was reported on July 26, 2021.
- Beginning this week, Public Health will be setting up testing and vaccine clinical services onsite at the Public Health Division. OptumServe testing and vaccine services to be offered at the Lower Lake Town Hall site. Testing results are averaging 3-4 days.
- Quarantine and Isolation lodging support continues to be offered to reduce COVID-19 transmission and provide a safe place to isolate; currently, there are no participants being lodged.
- Public Health has completed the local school site vaccination clinics.

Nevada

- Nevada County is experiencing a case surge and is currently seeing case numbers four times the case investigation capacity of the local health department.

San Francisco

- Order of the Health Officer No. C19-07y was updated on July 20, 2021:
 - To clarify the scope and deadline of the vaccination mandate in High Risk Settings;
 - To establish businesses and governmental entities subject to the mandate to cooperate with public health requests for records;
 - And to urge mask-wearing regardless of vaccination status.
- On July 21, 2021, The Health Officer updated directives regarding isolation and quarantine for those in close contact or exhibiting symptoms of/having a COVID-19 diagnosis, establishing quarantine rules for vaccinated people and children, and establishing new special rules for leaving isolation.
- On July 22, 2021, San Francisco, Contra Costa, and Santa Clara County public health officials issued a joint statement strongly urging all employers to consider implementing workplace COVID-19 safety policies that require their workforce to get fully vaccinated as soon as possible. The statement reminded that employers must require and enforce masking for any employees who are not yet fully vaccinated under current state law.

Yolo

- Revised health order to go out this week, requiring indoor masking of all vaccination status.
